GALA JOURNAL OF APPLIED SCIENCES

Publication Policies (A.4)

2. Publication Malpractice Policy

The journal takes all allegations of research and publication misconduct seriously.

- **Investigation:** If plagiarism, duplicate publication, or data falsification is suspected, the Editorial Board will follow COPE flowcharts to conduct a formal investigation.
- **Penalties:** Confirmed cases of misconduct will result in immediate manuscript rejection or formal retraction of published work, alongside a ban on future submissions from involved authors for a designated period.
