GALA JOURNAL OF APPLIED SCIENCES

Publication Policies (A.4)

3. Peer Review Policy

All original research articles submitted to the journal undergo a rigorous **double-blind peer review** process.

- **Anonymity:** Both the identity of the author(s) and the reviewers remain undisclosed throughout the review pipeline to ensure unbiased evaluation.
- **Review Requirements:** A minimum of two independent, qualified external expert reviews are required for every accepted manuscript.
- **Timeline:** The standard review window is 21 days from reviewer assignment.
