GALA JOURNAL OF APPLIED SCIENCES

Technical Guidance (A.5)

6. Digital Object Identifier (DOI) Information

Overview & Persistent Linking

Every article, review, and editorial accepted and published in the *GALA Journal of Applied Sciences* is assigned a unique, persistent **Digital Object Identifier (DOI)** registered through **Crossref**.

DOI Usage Standards

- **Permanent Citation:** The DOI provides a permanent URL link to the definitive Version of Record on the journal platform, ensuring long-term accessibility even if web domain structures change.
- **Format:** DOIs are displayed prominently on the title page of the published PDF and HTML versions using the standard actionable URL format:

  ```
  [https://doi.org/10.xxxx/gala.jas.2026.xxxxxx](https://doi.org/10.xxxx/gala.jas.2026.xxxxxx)
  ```

- **Author Responsibility:** Authors must include actionable DOIs for all referenced journal articles in their submitted Reference List wherever available.
