Final Recommendation

Select **one** of the following options regarding publication:

- [ ] **Accept as Is:** The manuscript is ready for publication with no required changes.
- [ ] **Minor Revisions Required:** Acceptable subject to small edits, clarifications, or formatting adjustments (no re-review needed).
- [ ] **Major Revisions Required:** Requires substantial reworking, additional experiments, or restructured analysis (will require re-review).
- [ ] **Reject and Resubmit:** Unsuitable in current form, but the core concept shows promise for re-evaluation as a new submission.
- [ ] **Reject:** Unsuitable for publication due to critical methodological flaws, lack of novelty, or out of scope.
